FahrenFleck: Worldwide partner of governments, companies and organizations since 1882

Over four generations, FahrenFleck has evolved into one of the most well-known companies for banners, flags, flagpoles, tradeshow displays, cloth and metal badges, hand and machine embroidery and uniforms. This is why customers of the company founded in 1882 include governments all over the world, companies of all sizes, and international organizations.

FahrenFleck is also a renowned outfitter for big events. For instance the company was responsible for

outfitting the Olympic Games in Mexico and Munich, the world exhibition EXPO 2000 and the FIFA Football-World Cup 2006 with flags, banners and merchandising equipment.

To do justice to your particular requests and ideas, our service of course also includes the design and realization of individual custom-made products and the development of advertising-concepts.

International competence in flags

Whether for a special event or permanent use, a national flag or advertising presentation: FahnenFleck will make any flag you could want in top quality and in all sizes. In addition, we offer you a complete line of accessories from hoist ropes to theft-proof flagpoles. We have been providing the perfect solution to every need for almost 125 years.

Full service in flags and flagpoles: production – delivery – installation

FahnenFleck will serve you at any place in the world. With pleasure we will develop and realise concepts to represent your country, city or company. To give you an idea of our capabilities: In just five months, we completely transformed the urban features of a metropolis in the Orient by installing 1,600 flags complete with flagpoles and storm-proof anchorings.

Flags, flagpoles and a complete line of accessories – all from a single source

Design, layout, production, installation

Governments and heads of state trust our quality guarantee

FahnenFleck has earned a special trust and esteem among governments on almost every continent by outfitting them with top quality room flags, standards, table pennants, banners as well as decorations, medals and uniforms.

Interior and outside decorations that make a difference

Airports or shopping centres, embassies or first-class hotels: FahnenFleck has also made a name for itself in the design and installation of interior and outside decorations. From table pennants to king-size banners, our customized articles create a welcoming international atmosphere.

Uniforms: Impressive from head to toe thanks to FahnenFleck

With know-how that FahnenFleck has acquired over decades, we provide airlines, hotels and other service companies as well as the military, police and presidential guards with high-quality uniforms and all the accessories to match.

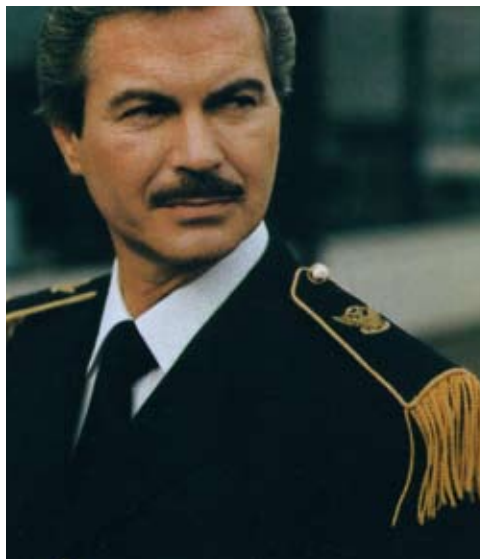

Uniforms for the police, customs officers and the military

Uniforms as well as other units are designed and produced at FahrenFleck with the utmost care. The cuts, colours and materials are tailored to the prospective use. From parkas to dress uniforms, FahrenFleck offers the whole product range.

The FahrenFleck uniform-set-concept

FahrenFleck developed a unique set concept. Every single employee receives exactly the items he or she needs for his or her own special area of work. All items are provided in the correct individual size and with the right rank insignias. Because FahrenFleck offers also to take care of the complete logistics and storage our set concept largely reduces the logistic costs and storage risks for our customers.

Medals, decorations and badges: Prestigious and top quality

Countries all over the world have their civilian and military medals and decorations designed and produced by FahnenFleck.

Manufactured by FahnenFleck: Workmanship *made in Germany*

All products from the FahnenFleck range are made by FahnenFleck or its cooperation partners only in Germany and with the strictest quality controls.

Modern Production Technology

Innovative technology guarantees high-quality print results in resolutions of up to 600 dpi. Short delivery times and therefore fair market prices are not a problem thanks to daily outputs of approx. 3,000 m² or 150 m² per hour.

Mutual trust is the basis for joint success

Since 1882 we have been providing our customers with the best in products and services. We are very proud of the trust international companies and governments put in us over and over again through long-standing partnerships. You find here a small but by no means complete selection of our customers. – When will we be able to do our best for you?
